BAMBOO SOFA

\$19,455

### DESCRIPTION

This sofa has a clean and minimal design, and features a composition with two seats on the left (each measuring 100x100 cm) connected to the single seat on the right (100x100 cm) by means of a small table (35x78 cm). The structure is made of poplar wood padded with multi-density and highly-resistant polyurethane covered with thermo-bonded fiber combined with flexible jersey fabric. The base is in lacquered tubular metal, and the whole piece is covered with an elegant and practical removable fabric upholstery. Contract and commercial certifications available upon request.
