BANANO BED

\$22,560

DESCRIPTION

This stunning bed frame will make a statement in any interior, thanks to its visually imposing proportions and decoration and the exquisite quality of its crafting. The solid wood structure is covered in different padding materials to create a superior level of comfort, while the nubuck upholstery lends a soft touch and a luxurious allure to the piece. The standout element of this superb frame is the addition of brass decorations flanking the tall and sinuous back and reproducing in elegant details the texture of banana leaves. This piece is entirely handcrafted and custom made.
