Dall'Agnese

BAO ARMCHAIR

\$4,080

DESCRIPTION

A masterful balance of lines distinguishes the silhouette of this modern armchair. An exclusive piece to subtly accent modern decors, this design rests atop four dainty metal feet and is comprised of a squared, plush seat embraced by a broad backrest whose sides slope to outline the armrests. Overlays of textured fabric and faux leather for the back complete the design. Please contact the Concierge for available customization options.
