## BARCOCCO BAR CABINET

\$9,050

### DESCRIPTION

Retro inspiration and a harmony of contrasts characterize this superb Canaletto walnut bar cabinet that will decorate a modern living and dining room with simplicity and elegance. Raised on four slender legs, the top unit features two bi-folding doors, a central pull-out tray, and a well-designed storage space with glass shelves. The door panels are embellished with six large squares of off-white coconut tassels that give it a distinctive personality. This exquisite cabinet is also available in natural oak and can be customized on request. Contact the Concierge for additional details.
