BARDOT LE VINTAGE PINK CHAIR

\$630

DESCRIPTION

This stunning chair will be a delicate and sophisticated addition to any modern decor. Exuding a retro-chic flair inspired by the '50s, and a subtle Nordic inspiration marking its clean and smooth lines, this piece rests on a beechwood structure featuring four slanted legs. The natural finish of the wood exquisitely matches the delicate vintage pink hue of the multilayer seat and backrest, padded and upholstered in soft fabric. Customization available in leather, eco-leather, velvet, wool, and other textiles, contact the Concierge for further details.
