BAROCCO CHAMPAGNE BUCKET

\$1,015

DESCRIPTION

Incorporating elaborated details of the 17th and 18th-century style, this superb champagne bucket features a smooth, shimmering silver-plated finish. Two decorative handles with entwined swirls embellish the sides of the footed silhouette creating a superbly sophisticated look. This piece can be personalized with engraved monograms on request. Also available is solid silver and with partial or total gold-plating.
