Marco Baroni

VITA ROMANA ENGRAVED IRON AND GOLD RING

\$2,490

DESCRIPTION

Elaborately handcrafted ring by Florentine goldsmith Marco Baroni. The execution of these sculptural rings requires a number of different phases involving traditional techniques and days of patient work. The inside ring is in polished yellow gold, but the protagonist is the iron band, almost a low relief sculpture inspired by ancient Roman life scenes depicted in a manner that can be often found on antique obelisks. Following your purchase, our Concierge will contact you to make sure you receive your perfect ring size.
