BASIC TWELVE DUO WALNUT AND CONCRETE PENDANT LAMP

\$360

DESCRIPTION

A superb accent of strong visual impact for a contemporary interior, this ceiling lamp is made up of two modular pieces (15x15x15 cm), one in solid European walnut slabs, the other in concrete. Hand-assembled in the shape of a dodecahedron, each module features nine sides, three of them equipped with gold neodymium magnets, which allow it to stick onto any metallic surface or to be assembled in clusters, as in the case of this stunning duo. This unique lighting fixture boasts brass accents, a metallic ceiling rose, two cables 150 cm-long, and two (not included) E14 max 10W light bulbs.
