BASIC TWELVE QUINTET WALNUT PENDANT LAMP

\$1,010

DESCRIPTION

A harmonious combination of tradition craftsmanship and innovative design, this set of five pendant lamps is part of the Basic Twelve collection. Each lamp is a module crafted of thin slabs of solid European walnut hand-assembled in dodecahedrons. Highly customizable, these five lamps feature three sides each equipped with gold neodymium magnets to attach to each other or to any metallic surface, allowing endless combinations. Brass accents add a precious glow. The metal ceiling rose supports the 150cm-long cables. The five bulbs (not included) are E14 max 10W. The total weight is 1.6 kg.
