## BATTAGLIE DI PORTA CAMOLLIA CHAMPAGNE COVER BY GIULIANO FOGLIA

\$55,720

### DESCRIPTION

A champagne cover in solid silver 999/00 that is a chiseled artwork, this cover reproduces a painting by Giorgio Vasari portraying the Porta Camollia Battle between the towns of Florence and Siena in 1554. Minutely handcrafted by master goldsmith Giuliano Foglia over several months with utmost attention to detail, this cover does not have a backing, making it more delicate. An unscrewing mechanism placed at the bottom allows empty bottles to be replaced with ease.
