BATTUTI MEDIUM BLUE VASE

\$1,305

DESCRIPTION

An eye-catching addition to a contemporary interior, this elegant vase will add a dash of vivid blue color and a one-of-a-kind decoration to any surface it is placed on. Its linear silhouette is crafted entirely by hand of mouth-blown Murano glass and adorned with the "battuto" technique, whereby the glass is hit to create the texture of bubbles on the surface. Either alone or combined with the others in the same series, this sophisticated piece will not go unnoticed.
