BATTUTI MEDIUM BLUE VASE

\$1,720

DESCRIPTION

A striking blue color highlights the eye-catching texture of this one-of-a-kind vase entirely handmade of mouth-blown Murano glass. The linear surface is hit when the glass is cooling down, creating a unique series of bubbles of different sizes for a striking effect. Either alone, as a sculptural decoration, or as a vessel for floral compositions, this will be a superb addition to a modern interior.
