BÀUTI SMALL SHELF BY PASQUINI TRANFA ARCHITECTS

\$1,910

DESCRIPTION

Designed by Pasquini Tranfa Architects, this elegant piece is the small version of the BÀuti Shelf, a versatile and sophisticated tray to hang on a wall in an entryway, bedroom, or powder room. Its unique shape was crafted entirely of solid walnut and boasts a rectangular top with a circular concave element that can function as vide poche. The two or three front panels available are equipped with drawers for extra storage. This stunning piece will be a precious addition to a modern or rustic home and can be paired with its longer sibling.
