BEE PENDANT NECKLACE

\$740

DESCRIPTION

Feminine and elegant, this captivating necklace merges nature with art to reveal a highly modern work of wearable art. Masterfully rendered in 925 silver filigree with a burnished finish, each piece features a detailed pendant of a bee with wings in a yellow-green-blue color gradient hanging on a dynamic, curb chain. These earrings, inspired by the "One, Two, Buckle My Shoe" nursery rhyme, evoke a childhood whimsy and will make an ideal gift for a modern woman with a love for one-of-a-kind jewelry.
