BEEHIVE EARRINGS IN PINK GOLD AND BLUE/GREEN SILK

\$840

DESCRIPTION

Part of the Beehive collection, this pair of earrings is a stunning exercise in contrasts. Its hexagonal post with a central decoration of zirconia supports a long pendant made up of chains that combine 925 silver with pink 18k gold plating and blue-green silk strands. A shimmering accent is given by a small pendant with nuggets in colorful hematite. The dance of these pieces is elegant and can create a cohesive look when combined with other items in the same series.
