BEEZ VASE

\$1,610

DESCRIPTION

Hand-modeled pink clay vase. The ceramic glazing, does not cover the entire surface of the vase and creates a polka dot texture. Between purple and turquoise, reflect the bronze glossy brushstrokes, a metallic ceramic glaze. Beez is inspired by the bee hives texture. The call is fascinating and irresistible as for insects, the golden bronze reflections acquire a great value making the vase a unique and precious object. Handmade in Italy with love and for the love of Nature.
