Marricreo

BEIGE ALUMINUM DIRECTOR ARMCHAIR

\$600

DESCRIPTION

Rigorous geometries arranged to in a folding design completed by armrests define the versatile and practical nature of this aluminum director armchair. Tailored details exemplify the signature style of Marricreo's collections, notably the stitching finishing the seat and backrest in water-repellent, beige fabric for safely displaying in pool areas or boat decks. A white and a blue variant are also available.
