BELLINI LARGE RECTANGULAR TRAY IN BRONZE

\$750

DESCRIPTION

This exquisite tray is part of the Bellini collection. Its structure is made in metal with a bronze finish and its minimalist lines and gentle angled corners are highlighted by the leather that covers the bottom of the piece. Highly customizable, this piece of functional decor will adapt to the need of its owner: the metal can have different finishes (in this case brushed bronze) and also the leather upholstery can be of different types and colors, to choose among the many available.
