BEN LEATHER TRAY IN BLUE

\$490

DESCRIPTION

Classic design and high-quality materials combine in this sophisticated leather tray that boasts a wooden rectangular frame covered entirely in soft pebble leather in a timeless blue color. The rectangular handles are attached to the shorter sides and accented with chrome-finished metal, and the rim features a tall border all around. Whether to serve drinks, showcase small objects on a coffee table, collect important papers on an office desk, or display perfume bottles on a vanity in the bedroom, this tray will bring a sophisticated accent in any decor.
