## DESCRIPTION

This sofa has a luxurious and captivating allure, combining traditional design with modern flair. The structure is made of solid wood and plywood, and is covered with multi-density polyurethane. The two-seat cushions are padded with polyurethane foam and feathers, for a soft and comfortable resting experience. With a tufted texture enriching the back and armrests, this piece is upholstered with a non-removable bright gray fabric. Other fabrics and colors are available, please ask the Concierge for options.
