DESCRIPTION

This splendid set of two dessert plates in fine porcelain brims with glamorous allure, a reflection of the artistic prowess of artisan Coralla Maiuri. Their bold, dripping-like rim accented with 24K gold leaf embraces the hand-painted decorations, which combines a backdrop in soft, solid pink and a central array of dappled speckles in pink. Part of the Piazza del Popolo Collection that first debuted at the Milan Design Week 2018. Not microwave safe.
