HOME DECOR

*Federica Bubani*

**BETTER TOGETHER VETTA COMPOSITION GRAY MAUVE**

\$125

## DESCRIPTION

This handmade vase is fabricated from refractory terracotta, creating the perfect receptacle for finely crafted crêpe flowers. It is the result of a collaboration between the pottery designer, Federica Bubani, and flower artist, Andreaa Merendi. The rough texture of the vase's surface stands in contrast to the delicate blooms. Gray vase with mauve flowers.
