Le Morandine by Sonia Pedrazzini

BIANCA VASE

\$320

DESCRIPTION

This unique vase was handcrafted of ceramic with an external white matte finish and an enamel-finished interior. The sinuous silhouette of this piece with characteristic vertical ridges has a magnetic allure, inspired by one of the most famous still life bottles painted by artist Giorgio Morandi. Elegant and timeless, this vase can be the focal point on a mantelpiece or console, either alone or combined with other pieces in this collection to create one's own Morandi still life. Le Morandine collection.
