Casa Marras

BIANCONERO FACE 17 SERVING PLATE

\$370

DESCRIPTION

A deft balance of minimalist and visionary art, this piece is from the Bianconero Collection of one-of-a-kind pieces conceived and handcrafted by Antonio Marras at Fratelli Coli's pottery manufactory. Fashioned of white-glazed majolica, it is distinguished by a fine decoration depicting a stylized human face with red lips, a recurring motif in Marras's repertoire that captivates with its expressive power. Please wash it by hand using only water and soap for optimal care.
