**BIBA SCONCE BY LORENZA BOZZOLI**

\$1,015

## DESCRIPTION

Part of the Biba collection designed by Lorenza Bozzoli and distinctive for the combination of straight structures and spherical shades, this sconce has a satin-finished brass body. The harmonious coexistence of different silhouette is enriched by the asymmetric elegance of the two glossy white glass shades in different sizes. A modern and sophisticated piece that will enrich a contemporary home, this piece can be displayed with others in the same series. Contract and commercial certifications available upon request.
