## BIEDERMEIER CHAIR

\$480

### DESCRIPTION

Inspired by the Biedermeier style that dominated Central Europe in the first half of the 19th century, this chair is a refined complement to a classic dining room or desk. Its delicate curves were crafted of solid beechwood and ayous wood and hand finished by expert craftsmen for a one-of-a-kind look. The seat is cushioned for extra comfort and upholstered with white fabric, to contrast the stunning black lacquer of the wood. Other finishes and color combinations are available, please ask the Concierge for details and pricing.
