**BIG BUBBLE SOFA**

**\$13,570**

## DESCRIPTION

The essential silhouette of this sofa and its comfortable, plush cushions make it a sumptuous piece that will enliven the look of an industrial-style or contemporary living room. This superb piece was designed by Alberto Colzani in 2013. Its structure in poplar, birch, and poplar plywood supports a polyurethane core with dacron lining and elastic straps combined with down filling to create the generous softness of the seat cushions. The leather upholstery gives elegance and comfort to the piece. Fabric upholstery is also available - please ask the concierge for details.
