VG New Trend

BIG FLAME FLOOR LAMP

\$7,590

DESCRIPTION

Poetically evoking the brilliance of fire, this floor lamp will be the focus of a modern living room and can be combined with the other VG New Trend lamps with the same texture. The drop-like silhouette of this piece is made of welded steel elements with a glossy chrome finish, combined with multi-faceted Asfour crystals, applied by hand. The effect is lively and sensual. The lamp hides 23 LED G9 3W bulbs.
