BIG GAME SOFA

\$13,630

DESCRIPTION

Reinterpreting the elegance of classic furniture, this sophisticated sofa designed by Federico Carandini in 2013 is a fresh and modern version of a traditional silhouette, making it comfortable and suitable for any decor. The solid poplar structure features curled-up armrests and a generous back. The comfort of the sofa is guaranteed by a combination of polyurethane core with dacron lining, helical metal coil springs, and down-filled seat cushions. The piece is upholstered in timeless black leather, but fabric is also available - please ask the concierge for details.
