BIGLIA GOLD ASHTRAY BY JOE COLOMBO

\$1,140

DESCRIPTION

Designed in 1963 by Joe Colombo, this ashtray is part of the Biglia Collection, whose design is centered on the perfect volume of a marble sphere. The top part, made of transparent crystal, rests on a metal base with a gold plating that adds a refined and retro-chic accent for this elegant sculptural object of functional decor. For a striking display, it is possible to pair this with the Biglia Black Ashtray.
