### BIKINI WHITE BOOKCASE

\$14,850

#### DESCRIPTION

Part of the Bikini Collection celebrating French designer Louis Réard who invented the two-piece bathing suit, this striking bookcase is distinctive for the strong visual impact of the M-shaped silhouette and vibrant colors. Made entirely of wood, the piece is finished with white lacquer and highlighted with a yellow background panel and four top shelves in pale blue, the delicate combination of colors creating a dynamic visual effect. A superb choice for a contemporary interior, this piece will look stunning in a kid's room or study.
