BILLIARD CASE

\$1,585

DESCRIPTION

This striking case is an elegant addition to any playroom and will add a splash of color and sophisticated luxury to any home. The wood box is entirely covered in leather with a bright orange color. It features a handle for the box and one for the lid and, inside, is equipped with a leather-covered wood triangle and top quality professional 57.22 mm balls in phenolic resin by Aramith. The inside structure is removable, leaving an empty tray and a box. The color and texture of the leather can be customized.
