BILLY PLANTER

\$970

DESCRIPTION

This striking planter is made entirely in oak wood and its unique structure creates an elongated cylinder framed by a round base and top with five vertical elements that connect them. The top is closed with glass that will function as a base for a plant or a decorative object. This piece can also be used as a unique side table, to accommodate or display everyday objects. Either alone, or paired with others like it, this object will add a touch of sophisticated charm to any decor.
