BILOU BILOU STOOL

\$5,540

DESCRIPTION

Part of the Bilou Bilou family, this stool is an elegant complement to a modern home, where it will imbue charm in an open kitchen area with its exquisite craftsmanship and pop of vivid colors. The beechwood structure is accented with footrests in smooth-medium bronze, while the entire piece is upholstered in blue velvet. This piece can be combined with the chair in the same collection for a cohesive and colorful look.
