## BINAE SCULPTURE

\$520

---

### DESCRIPTION

This elegant sculpture from the Minimax Collection is crafted in a limited series of 333 pieces. Its superb silhouette is fashioned of Murano crystal and features a striking air bubble at the center of a truncated elliptical shape highlighted in a deep burgundy color. The harmonious coexistence of empty space wrapped by a solid mass embodies the two contrasting essences of glass - solid and liquid - make this sculpture a magnificent accent for a modern interior.
