BIRDS OF PARADISE DESSERT PLATE #3

\$85

DESCRIPTION

Part of the paradise Collection, this dessert plate was first shown at Fuorisalone 2018, during Milan Design Week. Its palm leaf decoration is exquisitely rendered on the light brown background of the ceramic and adds an elegant accent to the piece. Either after dinner or to serve desserts at tea time, this will be a sophisticated piece to complement any decor. It can be combined with others with different hues in the same series for a colorful effect.
