**BIRULÒ CONTAINER WITH LID**

\$340

## DESCRIPTION

This colorful ceramic container is entirely crafted and painted by hand and is composed of two parts: a turquoise round bowl with a cone-shaped top that evokes the image of a fish head peeking out of the sea. The charming, finishing details of the top include a delicate green color with yellow mouth and lively eyes. This piece can be displayed in a modern kitchen as a rustic-inspired yet elegant addition on a counter or table.
