BLACK AND RED ARMCHAIR BY CHARLES MACKINTOSH

\$1,990

DESCRIPTION

An intriguing combination of square and round lines marks the design of this stunning armchair, whose 46cm-high seat is also available in straw or with leather upholstery. Its structure in black-lacquered ash includes four feet and an oval backrest adorned with a cutout square pattern. A bright red fabric upholstery covers the armrests and the wide seat, generously padded to offer great comfort.
