BLACK AND WHITE BOX WITH LID

\$160

DESCRIPTION

This charming box with lid will be a precious storage for a powder room, living room, or entryway, imbuing a room with a singular decorative accent. Made of ceramic, this piece comprises a cylindrical box adorned with floral motifs from the Deruta pottery tradition and a lid boasting a contemporary-inspired pattern with black and white bands radiating from the spherical handle. Both the handle and the rim of the box are finished with hand-painted gold as a precious detail.
