BLACK AND WHITE OVAL PLATE

\$870

DESCRIPTION

This superb decorative plate can be showcased in an elegant display cabinet or used as a serving plate in both classic and modern dining room decors. The oval plate is crafted entirely of ceramic and is hand-decorated: the rim highlighted with a striking geometric motif of parallel black and white stripes, framing a superb decoration inspired by Deruta floral patterns and rendered in vibrant colors. This stunning plate is best showcased in multiples for a refined statement in any decor.
