**BLACK ARMADILLO/2 SWIVEL ARMCHAIR BY RAINER
BACHSCHMID**

\$1,840

DESCRIPTION

This swivel armchair has a five-spoked, cast-aluminum base. It can be locked into five tilt positions and seat height is altered via a pneumatic mechanism. Tilt tension can be adjusted to the user's weight. Made in genuine, black leather with an ebony-finished, beech-plywood shell and chromed-steel structure for the back- and armrests. Available in other leather colors and wood finishes.
