BLACK CENTERPIECE BY ARIK LEVY GEORGE

\$1,055

DESCRIPTION

Part of the 2007 Tribe Collection designed by Arik Levy George, this ceramic centerpiece displays a sharp geometric shape finished with bold colors in a balanced visual aesthetic that will enliven a modern dining room table, entryway console, or private study. Crafted of white refractory clay turned on a lathe and finished in matte black enamel, the large bowl-shaped body is raised on a small base and features a wide rim showcasing the internal glossy, vibrant-red finish. A limited edition of 99 pieces, this exquisite centerpiece makes a well-received gift on any occasion.
