BLACK CHERRY SET OF DINNERWARE FOR ONE

\$485

DESCRIPTION

This exquisite set of ceramic plates includes one flat dish, one soup plate, and one fruit bowl. Each piece in this set is a one-of-a-kind item entirely hand-painted with non-toxic materials that make it suitable for food consumption. Their delicate shades of grey are adorned by few irregular spots of striking deep red, reminiscent of a cherry. The set can vary slightly from the picture, since it is handmade.
