## BLACK CLOTHES STAND

\$1,540

### DESCRIPTION

This unique valet stand is a versatile piece of functional design that will be useful as a stand for clothes in an entryway or bedroom, but that can also stand alone as a striking sculpture. In this piece a conic stone base supports a symmetrical structure topped with a round disk that can hold objects or hats. The minimalist silhouette is modern and sophisticated while the choice of materials makes it a timeless piece that will be suitable for both a classic and modern decor.
