Arcahorn

BLACK DESK SET

\$1,160

DESCRIPTION

A superb and versatile addition to a contemporary office, these two trays will function as striking vide poche also in a modern home, where they can be placed on an entryway console. The square structure of both trays is in wood with a lacquered black finish, whose glossy surface contrast with the black leather of the bottom. Outside, inserts in non-tarnish brass and dark horn complete the sophisticated look of this set. The dimensions of these two pieces, in cm, are: 18 x 18 x H5, and 22 x 22 x H5. Also available individually - please ask the Concierge.
