## BLACK HORSE SCULPTURE

\$2,930

### DESCRIPTION

A contemporary take on the traditional trophy, this unique sculpture boasts an elegant structure and exquisite design of a horse head depicted in bold and uncompromising character. This work of art will enrich the look of a contemporary living room or study. The structure comprises iron elements with round sections, drawn with details in metal foil. Entirely crafted by hand without the assistance of electronic tools, this sculpture is hand-painted with oil-synthetic lacquer. It comes with a certificate of authenticity.
