BLACK MILLEMIGLIA SUPER ARMCHAIR

\$3,220

DESCRIPTION

Introduced at the 2018 Fuorisalone event, this striking armchair takes its name from the iconic, Italian open-road car race of the 1920-1950s that is now a regularity race for classic and vintage cars produced no later than 1957. The oak wood frame with matte black finish has extended armrests with a slightly reclined backrest and is complemented by a padded seat upholstered in a vivid orange fabric by kvadrat. This armchair's sophisticated curves and impeccable craftsmanship is easy on the eye, providing an elegant presence around a dining table or as accent chair near a side table or sofa.
