BLACK MR. NEST CUSHION PAKISTAN 2 BY PAOLO CAPPELLO

\$3,370

DESCRIPTION

Entirely hand-knotted in Pakistan using 100% wool, this cushion draws its inspiration from ancient Persian artistic tradition, the dainty geometric lines coming together to form curved and angular forms that stand out against the black background. This elegant juxtaposition of forms and colors makes for a stunning addition in a rustic or classic-inspired interior. Designed by Paolo Cappello in 2013, this cushion has 100 knots per inch and a 6mm-high pile. Available also in 50x50 cm.
