BLACK NICKEL PLATED BRASS PEPPER MILL AND SALT SHAKER

\$305

DESCRIPTION

Specifically designed for grinding pepper, the pepper mill with tempered steel grinder is made from polished, painted, black nickel plated, turned and cast brass. Use only with dry, hard and whole, black, white and green peppercorns with a diameter of 5mm or less. Pink berries may be used if mixed in at a maximum of 15% with other peppercorns.
