BLACK PLUMAGE VASE WITH 24K GOLD

\$330

DESCRIPTION

This magnificent vase was designed by Cristina Celestino and executed by master artisans who are experts in ceramics. It is entirely hand-decorated and features a sophisticated texture that reproduces a series of feathers in striking black with a matte finish. Details in 24k gold with a luster finish give a precious effect to this vase and return in the plinth base, making this an elegant and timeless piece of decor.
